

AP & UP3000 Printer Accessories

JNJ Industries offers a complete line of understencil wiping roll and squeegee products for UP3000 and most AP series stencil printers. All products are manufactured to the OEM's specifications and are available in both standard and custom. Offering clamp or screw mount styles, our standard style squeegee holders are gold anodized aluminum and our lead-free are green anodized aluminum for easy identification. Squeegee holders have a 60° printing angle but are also available in a 45° custom angle upon request. Squeegee blade choices: premium, lead-free and economy metal blades and polyurethane blades.
