

Technical Data Sheet

GlobalTech® Hand Cleaners

Product Description

GlobalTech hand cleaners are high performance, general purpose saturated wipes. Use at the workstation or any location where operator/technician's hands become soiled. Cleans hands without requiring the operator to leave the work area. Saturated wipe material options: polyester and industrial grade. **Toxic Metal Reduction:** due to a unique solvent/surfactant blend, coupled with a powerful chelant, our hand cleaners have been laboratory certified to be effective in the removal of lead and other toxic metals from all surfaces, including the skin.

Joint Industry & Military Standard/Benchtop Electronic Hand Cleaner: Certified Ionic Contamination Test results show BEHC to be well within ANSI/J-STD-001 and MIL-STD-2000 Military Standards adopted to maintain acceptable levels of cleanliness in the manufacture of electronic assemblies, circuits and components.

Features

- Effective in the removal of toxic metals
- Enhances production time
- Fast drying
- Residue free (amine, salt and silicone free)
- Industrial & Workstation Hand Cleaner: pleasant citrus scent

Applications

- | | |
|--|------------------------------|
| Electronic assembly | Auto repair and service |
| Field service | Construction areas |
| Industrial manufacturing and packaging | Inspection areas |
| PCB/PWB rework | Tools, fixtures and surfaces |

Ingredients/Benchtop Electronic Hand Cleaner

Isopropyl Alcohol, DI Water, Organic Surfactants, CoSolvent, Chelant

Ingredients/WorkStation Hand Cleaner & Industrial Hand Cleaner

Isopropyl Alcohol, DI Water, Organic Surfactants, CoSolvent, Chelant, Fragrance

Physical & Chemical Properties

In all cases refer to Safety Data Sheets

Hazard Data

Hazard Ratings
NFPA Health Hazard: 1, Flammability: 3, Instability: 0, Special Hazards: ND
HMIS Health Hazard: 1, Flammability: 3, Instability: 0, Personal Protection: ND

Environmental

| | |
|--|------------------------|
| Global Warming Potential (GWP) | Not Implicated |
| Hazardous Air Pollutant (HAP) | No |
| Ozone Depletion Potential (ODP) | Zero |
| Significant New Alternatives Policy (SNAP) | Approved |
| Toxic Substance Control Act (TSCA Inventory) | All Ingredients Listed |
| VOC Emissions | Low |

Waste Disposal

For disposal methods, consult a licensed waste management firm or the appropriate local, state and federal agencies in your area. Foil Refill Packs for our SuperSaturated SmartWipes® canisters help reduce environmental waste.

Storage & Shelf Life

Hand cleaners have a 12 month shelf life from date of shipment. Store at room temperature.
