## OptiSmart® Flat Panel & Touch Screen Display Cleaner

### Product Description

OptiSmart Flat Panel & Touch Screen Display Cleaner (DC) was developed for cleaning all types of glass panel and touch screen displays that are commonly used in SMT production equipment. This optical quality cleaning product comes complete with a convenient spray bottle and optical cleaning wipe that easily and safely cleans fingerprints, smudges, dust, dirt, oils and other contaminants. This gentle cleaner will not harm or remove protective finishes such as mirror or anti reflective coatings. The OptiSmart wipe is an optical quality microfiber fiber wipe that will not scratch even the most delicate glass surface and will leave a crystal clear finish on any display. The wipe's superior strength and density allows it to be laundered and reused without any loss of cleaning ability. The liquid cleaner and the wipe are even gentle enough to clean eyeglasses and safety glasses.

### Applications

Tablets	Flat screen TVs
Laptops / netbooks	GPS Navigation Systems
Computer screens	E-readers
Camera lenses	All types of lenses
Mobile devices	

### Ingredients

Water, 2-butoxyethanol, Sodium Bicarbonate

### Physical & Chemical Properties

Appearance	Clear, pale pink or pale blue Liquid
Boiling Point	208A°F / 98A°C
Evaporation Rate	No Information Available
Flash Point	244.4A°F / 118A°C
Odor	Mild
pH	7
Solubility In Water	Soluble
Specific Gravity (@ 20°C )	No Information Available
Vapor Density	No Information Available
Vapor Pressure	No Information Available
VOC	5.09

### Hazard Data

Hazard Ratings

NFPA Health Hazard: 1, Flammability: 1, Instability: 0, Special Hazards: ND  
HMIS Health Hazard: 1, Flammability: 1, Instability: 0, Personal Protection: B

### Waste Disposal

For disposal methods, consult a licensed waste management firm or the appropriate local, state and federal agencies in your area.

### Storage & Shelf Life

DC has a 12 month shelf life from date of shipment. Store at room temperature.

### Ordering Information

Spray Bottles, 2.5oz, 12/cs  
Weight  
Dimensions

SB12DC  
3 lbs  
6" x 5" x 6"

### Availability

Products are available through global sales and a nationwide network of distributors.

### Environmental Policy

As a leading manufacturer and supplier of SMT production supplies; JNJ is committed to providing high quality products and services in a manner that does not impact upon, but enhances the environment.
